

YC Into The Future

YC Into The Future is installment one of an educational series on workforce issues. This inaugural seminar focuses on current and forthcoming workforce issues affecting the next generation of leaders in our region's construction industry.

Panelists:

- Mike Barnard, ACE Mentor W. PA Chapter, Oxford Development Co.
- Bill Waterkotte, Director of Organizing, Greater PA Regional Council of Carpenters
- Dale Glavin, Director of Training, Steamfitters Local 449
- Jeff Burd, Moderator, Publisher, BreakingGround

Master Builders' Association Young Constructors aim to expose and educate young industry leaders to all aspects of the design and construction industry through continuing education, peer networking and community service.

YC Into The Future will be held Thursday, October 4th, 8 a.m., at the Carpenters Main Building—650 Ridge Rd, Pittsburgh, PA, 15205.

To register for this free seminar, contact the MBA with your name and company.
