

2006 Five Years Later –YCF Presents Even More “Build Up!” Kits to Influence Even More Young Minds and “going around changing people’s lives”.

Gus Fernandez, chairman of the SFAGC YCF presents 81 new “Build Up!” kits to Miami-Dade 5th Grade Students at the annual meeting of the SECME meeting at Miami-Dade College. Thanks to the tremendous effort of Jim Zerby, Fishing Committee Chairman, World Diamond Source, Fish Tournament Prime sponsor and many, many more dedicated sponsors and volunteers, the SFAGC YCF was able to purchase 81 new “Build Up!” kits for the use of teachers and students in fifth grade classes in MDCPS. Pictured above are Dalia Pearson of YCF, Jorge Costas, President of AGC, Fernandez, Steve Talley President of Florida AGC, and Merci Ramirez of YCF.

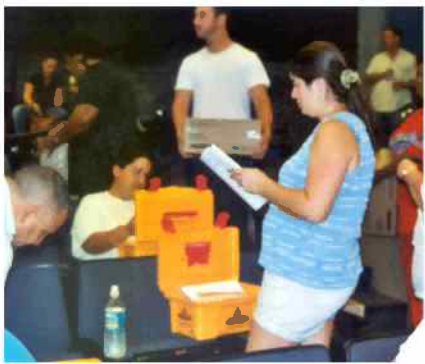

Gus Fernandez, Chairman of Young Constructors Forum (YCF), Merci Ramirez, YCF, Dalia Pearson, YCF. Sy _____, MDCPS, Karen Gant, teacher extraordinaire from Carol City Elementary, Jorge Costas, President of the South Florida Associated General Contractors

SECME leadership teams leads cheer for teachers attending the workshop and presentation

Teachers line up and go on stage to receive their Build Up kits

Teachers open the kits, review the manuals and get ready for instructions in workshop
