

YOUNG CONTRACTORS FORUM

Board Members

There shall be a board consisting of at least 5 members; the board shall consist of two associates and three contractors, or board may be selected to better represent the membership of the organization. The board members will be responsible for electing one chairman or woman. The Board Members will be elected at the end of every year. The Organization will also be required to select two WCA members (one associate and one contractor) who will help steer the group and report back to the WCA board.

Duties

The board will be responsible for coordinating and arranging at least four business function or meetings per year. These meeting will take place quarterly. They will also be responsible for coordinating two social functions, community service and/or fundraising events per year as well as two Educations, training and or recruiting events a year.
