

## Save BIG with an AGC Online Corporate Account

Take advantage of discounts for OSHA-10, OSHA-30 hour when you create a corporate account and purchase more 10 or more courses at once.

**Easy Set-up:** Just email [shaversk@agc.org](mailto:shaversk@agc.org) to request course registration. Include your contact information along with the names of the participants, email address for each registrant and the courses requested. Participants will be registered within 3 business days and the log-in information will be sent to each individual.

**Follow-up Feature:** Corporate Account Representatives can request a progress report detailing the status of each registrant's course progress including the date the course was last accessed or the date of completion.

**Need Proof Now?:** After course completion, a certificate of completion will be issued and the DOL Card will be mailed out in 4-8 weeks.
