

OFF ROAD adventures

Plan to visit the Adventure Haus for an unforgettable off road wilderness adventure. Begin your excursion from the convenience of Zermatt Resort and Spa in Midway, Utah. Experience the spectacular Wasatch Mountains like never before.

Access Utah's dramatic backcountry in style and comfort. The NEW Polaris Razor 4 is the world's first 4-seat, side-by-side off road vehicle. Designed in partnership with racing legend Robby Gordon, this unit is built for extreme, razor sharp performance and wide-open spaces.

Off Road Adventures are designed to suit your driving ability and interests; from steep, rocky mountain switchbacks to easy but breathtaking trails through Utah's backcountry. Each adventure can be designed to incorporate opportunities for trail hikes, picnicking, photography, and wildlife spotting – or just simply getting away to wild, unspoiled, remote environments.
