All Resort Express is the preferred shared van service by Zermatt Resort. The cost is \$37 per person one-way, however they require at least two people on the shuttle. So...if you are traveling by yourself, you would be charged for two people (\$74). But if another traveler happens to need to go to the same place at the same time and is assigned to your shuttle van, then you would be credited \$37 back.

Approximate taxi fare from the Salt Lake City Airport to Zermatt Resort is \$150+.
