

Finding the Green in the American Recovery and Reinvestment Act: Its Impact on the Construction Market

June 3, 2009 from 1:30-3:00 pm ET

Gain insight into the green incentives and sustainability provisions contained in the American Recovery and Reinvestment Act (ARRA) of 2009. Understand the details and impact of these provisions on construction project financing and lending standards.

Learning Objectives:

- Understanding of the general tax and policy changes
- Review sustainable and energy efficiency provisions
- Discuss the implications to the construction market:
 - Increased government funding and demand for contractors to build green
- Evaluate current lending conditions, Green tax incentives and green financing as they relate to the ARRA and how to strengthen your financial position

Registration Fees:
AGC Members: \$99
Non-members: \$299

AGC of America is an authorized provider of continuing education credits. Look to AGC to earn your CEUs for license renewal and career development.

This course qualifies for:

.2 IACET CEUs

AGC has been approved as an Authorized Provider by The International Association for Continuing Education and Training (IACET), 8405 Greensboro Drive, Suite 800, McLean, VA 22102. In obtaining this approval, AGC has demonstrated that it complies with the ANSI/IACET Standards which are widely recognized as standards of good practice internationally. As a result of their Authorized Provider membership status, AGC is authorized to offer IACET CEUs for its programs that qualify under the ANSI/IACET Standards.

1.5 AIA LUs

AGC is a Registered Provider with The American Institute of Architects Continuing Education Systems. Credit earned on completion of this program will be reported to CES Records for AIA members. Certificates of Completion for non-AIA members are available on request.

Please verify applicability with your professional board before attending. For more information on AGC credentialing, contact gcconnection@agc.org.
