

# AGC Safety & Health Conference

## July 22-24, 2009 • Washington, D.C.

Construction safety and health is vital for the success of the industry. Join more than 150 industry professionals and participate in the development of regulatory and legislative activity on both a national and local level, assist in the development and creation of new safety training programs and products and hear the latest initiatives from OSHA and other industry experts.

- Get the latest updates on congressional activity which directly affects construction safety and health.
- Hear from key OSHA representatives on the latest updates to regulations and OSHA activities.
- Participate on Subcommittee and Taskforce meetings - Government, Education and Performance.
- Take on an active role in improving safety and health in the construction industry.

The AGC Safety & Health Conference is open to both interested AGC members and non-members.
