

# NATIONWIDE CM AT-RISK SURVEY RESULTS

NATIONAL ASSOCIATION OF STATE FACILITIES ADMINISTRATORS (NASFA)  
and  
THE ASSOCIATED GENERAL CONTRACTORS OF AMERICA (AGC)

Below is an overview of survey data found in full version, with comments, at: [http://www.agc.org/cs/industry\\_topics/project\\_delivery/cmatriisk](http://www.agc.org/cs/industry_topics/project_delivery/cmatriisk)

Both the map and the overview are living documents. The information they provide is subject to both change and interpretation, and it follows that viewers should consult legal counsel before taking action on such information.\* Many states are still determining how to approach CM@R, and this can result in a lack of clear and precise information. Particularly where state statutes are silent on the subject of CM@R, viewers should take this fact into account. Additionally, viewers should note that different states define the categories of construction in different ways. If you have updates, corrections, or additions to suggest, please contact Mike Stark at [starkm@agc.org](mailto:starkm@agc.org).
