

## Specialty Contractors Council

2022-2024 STEERING COMMITTEE APPLICATION  
OVERVIEW AND CRITERIA FOR SERVICE

---

**Mission Statement:** Be the advocate and information resource for specialty contractors within the construction industry and creating a seat at the table for the specialty contractor.

### **Commitment**

- Two-year commitment
- 4-6 calls per year
- Two in-person meetings
  - o AGC Convention
  - o Joint Contractors Conference

### **Structure**

- Chair: serves on AGC Board of Directors for 2 years
- Vice Chair, 1-2 years
- Immediate Past Chair, 1 year
- Steering Committee – 15 at-large members

### **Purpose**

Specialty contractor members learn the “business” of construction through connections made with General Contractors, webinars, networking events, meetings, and improved contract documents, and to implement better business practices and improve our bottom-line.

### **Expectations**

Become a representative and advocate for the specialty contractor perspective in the Building, Highway and Transportation, Federal and Heavy Construction, and Utility Infrastructure Division Forums with additional leadership opportunities within the AGC.

Create and implement educational resources for both specialty contractors and general contractors to create common ground including:

- Webinars
- One educational session at the AGC convention

Increase specialty contractor awareness of AGC resources, services, initiatives, and opportunities through effective communication including:

- SCC website
- E-newsletters
- Outreach to Chapters

Collaborate within AGC to promote specialty contractors' issues within AGC to expand influence by:

- Participating in the Forums
- Recruiting specialty contractor members
- Increase AGC PAC participation
- Participate in AGC Education & Research Foundation
