

Shown with equipment from independent suppliers which is not covered by the GM New Vehicle Limited Warranty. GM is not responsible for the safety or quality of independent supplier alterations.

# TAKE ADVANTAGE OF NEW TAX BENEFITS

## DEDUCT UP TO 100% OF PURCHASE PRICE OF ELIGIBLE VEHICLES

In recent years, tax laws were revised to benefit businesses large and small, which means companies of every size have an opportunity to save. Under current tax depreciation laws, your business may be eligible to immediately deduct up to 100% of the purchase price of an unlimited number of qualifying Chevrolet, Buick, GMC and Cadillac vehicles purchased in 2020 for business use.

Additionally, qualifying association members may also be eligible for up to \$1,000 toward the purchase or lease of most new Chevrolet, Buick and GMC vehicles! For more information on Business Association Private Offers, please visit [gmfleet.com/BAO](http://gmfleet.com/BAO).

Federal tax depreciation deductions are only available for vehicles used in a trade or business, and are subject to change without notice. Each taxpayer's tax situation is unique—please consult your tax advisor to determine your business's vehicle depreciation deduction. For more information, visit [irs.gov](http://irs.gov). This advertisement is for informational purposes only, and should not be construed as tax advice, or as a promise of the availability or amount of any potential tax benefit or reduced tax liability.
