

Signet™ Cleaning Chemical Service

Trusted Products. Unmatched Service.

How the Service Works:

1. On-site survey of your operation
2. Custom program built based on your cleaning habits
3. Professional installation of the dispenser
4. Regular service visits to replenish the chemical reservoirs and ensure the dispenser is always functioning properly
5. Check with management to ensure satisfaction

Signet combines industry-leading cleaning chemicals from Diversey™ with the service excellence of Cintas® to bring you one powerful solution.

This revolutionary service will simplify your operation so you can focus on what you do best—running your business. With this service you will always have cleaning chemicals in stock without having to carry inventory, and it will save you time and money. Other features and benefits include:

Optimized Cleaning Performance

- Properly diluted cleaning chemicals at the touch of a button
- Wide range of industry-leading products to meet specific cleaning needs
- Simple and easy to use dispensing system

Time, Space & Cost Savings

- Patented dispenser and regular service visits eliminate the need to:
 - Store product on-site
 - Take inventory
 - Place orders
- Saves time and eliminates waste from manual mixing

Environmentally Friendly & Employee Safe

- Reduce solid waste (packaging, plastic bottles, etc.)
- Cleaning chemicals meet Green Seal certification requirements
- Prevents employee exposure to concentrated chemicals

Ongoing Service & Support

- Regular service visits from Cintas Service Professionals ensure:
 - Product is always available
 - Dispensing equipment is functioning properly
 - Accurate billing and customer satisfaction
- 1-800 technical support line

Backed with Credibility & Expertise

- Diversey is an industry-leader in chemistry, innovation and sustainability
- R&D, formulation and product knowledge expertise

Signet™ Floor and Surface Cleaners

Trusted Products. Unmatched Service.

FLOOR CLEANERS

Heavy Duty Floor Cleaner/Degreaser

High performance cleaner for daily use on floors, walls and all washable surfaces

Bio-Based Floor Cleaner/Deodorizer

A bacteria fortified surfactant and solvent-based cleaner/deodorizer that cleans soils trapped in tile pores and grout

Neutral Floor Cleaner

A non-alkaline formulation for daily use on floors, walls and other washable surfaces

HARD SURFACE CLEANERS

Glass & Multi-Surface Cleaner

A streak-free, non-ammoniated glass and surface cleaner

Heavy Duty Non-Acid Washroom Cleaner/Disinfectant

Heavy-duty alkaline, quaternary-based cleaner disinfectant that cuts through tough soils, disinfects and deodorizes in one easy step

Odor Counteractant/Fabric Freshener

Fabric freshener that instantly neutralizes odor and leaves behind a fresh, long-lasting scent

Heavy Duty Foaming Degreaser

Effective degreaser that penetrates, lifts and dissolves soil on hard surfaces, especially where grease is a problem

Hard Surface Sanitizer

A phosphate free concentrated detergent, which provides effective sanitation
