Tom Burleson is president of Burleson Construction Company, a third-generation, 64-year old firm in Johnson City, Tennessee.

An AGC activist, Tom is a past chairman of the Construction Education Committee of the Associated General Contractors of America. He is also a Life Director of AGC of America, a past president of AGC of Tennessee, and a member of the Consulting Constructors Council and a director of the AGC of America Education and Research Foundation.

Tom is retired from the U.S. Army Reserves with the rank of colonel and served in support of Operation Iraqi Freedom and in Desert Storm. Tom earned a B.S. degree in Building Science from Clemson University and received Certified Professional Constructor (C.P.C.) status from the AIC Constructor Certification Commission. He is a LEED Accredited Professional.
