4. What has been your firm’s experience this year in filling the following types of hourly craft positions?

- **Traffic control personnel (2 firms)**: 100% compared to one year ago, filling position is more difficult
- **Roofers (3 firms)**: 100% compared to one year ago, filling position is more difficult
- **Electricians (10 firms)**: 80% compared to one year ago, filling position is more difficult; 20% compared to one year ago, filling position is the same; 0% compared to one year ago, filling position is less difficult
- **Concrete workers (19 firms)**: 79% compared to one year ago, filling position is more difficult; 11% compared to one year ago, filling position is the same; 0% compared to one year ago, filling position is less difficult
- **Millwrights (8 firms)**: 75% compared to one year ago, filling position is more difficult; 13% compared to one year ago, filling position is the same; 0% compared to one year ago, filling position is less difficult
- **Bricklayers (8 firms)**: 75% compared to one year ago, filling position is more difficult; 13% compared to one year ago, filling position is the same; 0% compared to one year ago, filling position is less difficult
- **Plumbers (11 firms)**: 73% compared to one year ago, filling position is more difficult; 18% compared to one year ago, filling position is the same; 9% compared to one year ago, filling position is less difficult
- **Painters (11 firms)**: 73% compared to one year ago, filling position is more difficult; 18% compared to one year ago, filling position is the same; 9% compared to one year ago, filling position is less difficult
- **Equipment operators-cranes, heavy equipment (22 firms)**: 73% compared to one year ago, filling position is more difficult; 5% compared to one year ago, filling position is the same; 14% compared to one year ago, filling position is less difficult
- **Mechanics (17 firms)**: 71% compared to one year ago, filling position is more difficult; 12% compared to one year ago, filling position is the same; 6% compared to one year ago, filling position is less difficult
- **Sheet metal workers (10 firms)**: 70% compared to one year ago, filling position is more difficult; 10% compared to one year ago, filling position is the same; 10% compared to one year ago, filling position is less difficult
- **Cement masons (10 firms)**: 70% compared to one year ago, filling position is more difficult; 10% compared to one year ago, filling position is the same; 20% compared to one year ago, filling position is less difficult
- **Pipefitters/Welders (16 firms)**: 69% compared to one year ago, filling position is more difficult; 6% compared to one year ago, filling position is the same; 19% compared to one year ago, filling position is less difficult; 6% hired without difficulty
- **Truck drivers (19 firms)**: 68% compared to one year ago, filling position is more difficult; 11% compared to one year ago, filling position is the same; 21% compared to one year ago, filling position is less difficult
- **Installers-other (9 firms)**: 67% compared to one year ago, filling position is more difficult; 11% compared to one year ago, filling position is the same; 11% compared to one year ago, filling position is less difficult
- **Carpenters (32 firms)**: 63% compared to one year ago, filling position is more difficult; 13% compared to one year ago, filling position is the same; 9% compared to one year ago, filling position is less difficult; 16% hired without difficulty
- **Laborers (43 firms)**: 60% compared to one year ago, filling position is more difficult; 21% compared to one year ago, filling position is the same; 12% compared to one year ago, filling position is less difficult; 7% hired without difficulty
- **Iron workers (12 firms)**: 58% compared to one year ago, filling position is more difficult; 8% compared to one year ago, filling position is the same; 25% compared to one year ago, filling position is less difficult; 8% hired without difficulty
- **Pipelayers (11 firms)**: 55% compared to one year ago, filling position is more difficult; 27% compared to one year ago, filling position is the same; 18% compared to one year ago, filling position is less difficult
- **Installers-drywall (13 firms)**: 54% compared to one year ago, filling position is more difficult; 15% compared to one year ago, filling position is the same; 15% compared to one year ago, filling position is less difficult; 15% hired without difficulty
5. Do you expect any changes in the availability of hourly craft or salaried personnel over the coming 12 months?

- It will become harder to hire: 36% (Hourly craft), 41% (Salaried)
- It will continue to be hard to hire: 31% (Hourly craft), 18% (Salaried)
- No change: 31% (Hourly craft), 36% (Salaried)
- It will continue to be easy to hire: 1% (Hourly craft), 2% (Salaried)
- It will become easier to hire: 2% (Hourly craft), 4% (Salaried)

6. How would you rate the adequacy of the local pipeline for supplying craft personnel who are:

- Well trained/skilled: 60% (Poor), 32% (Fair), 8% (Good)
- Able to pass drug tests: 23% (Poor), 47% (Fair), 25% (Good)
- Able to pass background checks: 20% (Poor), 47% (Fair), 27% (Good)

Legend: Poor, Fair, Good, Excellent
7. Is your firm losing hourly craft or salaried personnel to other employers? (Totals may add to more than 100%, as respondents could mark more than one answer.)

8. Has your firm increased pay and/or benefits for hourly craft or salaried personnel in the last year because of difficulty in filling positions? (Totals may add to more than 100%, as respondents could mark more than one answer.)
9. Has your firm added or increased use of the following to provide workers in the past year? (Totals may add to more than 100%, as respondents could mark more than one answer.)

- Engaged with career-building program (e.g., high school, college, career & technical education) - 54%
- Sub- or specialty contractors - 45%
- Staffing firm (craft) - 39%
- Executive and non-craft worker search firm or professional employer organization - 34%
- Implemented software to distribute job postings and manage applicants - 32%
- Engaged with government workforce development or unemployment agency - 30%
- Unions - 7%
- Applied for employee-based visas (e.g., H-1B, H-2B) - 5%
- Other - 0%
- No changes - 16%

10. Has your firm made changes in hiring, training or scheduling to address worker or skill shortages in the past year? (Totals may add to more than 100%, as respondents could mark more than one answer.)

- Initiated or increased in-house training - 52%
- Changed hiring standards (e.g., education, training, employment or arrest record) - 36%
- Interns - 34%
- Overtime - 30%
- Offered online or mobile training options - 18%
- Augmented/mixed/virtual reality training devices - 4%
- Other - 2%
- No changes - 29%
11. Has your firm adopted or increased use of the following to replace workers or skills? (Totals may add to more than 100%, as respondents could mark more than one answer.)

- Invest in technology to automate processes to supplement worker duties: 34%
- Labor-saving equipment (e.g., drones, robots, 3-D printers, laser- or GPS-guided equipment) (please specify): 25%

- Added specialists (e.g., architects, BIM or lean construction personnel, drone or other equipment operators, data or IT personnel) (please specify): 14%
- Other (please specify): 4%
- No changes: 52%

12. If your firm is experiencing staffing challenges, how would you describe the impact on your projects? (Totals may add to more than 100%, as respondents could mark more than one answer.)

- We have put higher prices into our bids or contracts: 50%
- Projects have taken longer than we anticipated: 46%
- Costs have been higher than we anticipated: 46%
- We have put longer completion times into our bids or contracts: 23%
- Completion times or costs have been lower than we anticipated: 2%
- Other (please specify): 4%
- No impact: 16%
13. If your firm is experiencing staffing challenges, how would you describe the impact on your company's safety and health program or performance? (Totals may add to more than 100%, as respondents could mark more than one answer.)

- Increased number of reportable injuries and illnesses: 11%
- Increased number of jobsite hazards (physical and/or behavioral) identified in inspection reports: 11%
- Increased number of workers compensation claims: 7%
- No change: 80%
- Decreased number of reportable injuries and illnesses: 2%
- Decreased number of jobsite hazards (physical and/or behavioral) identified in inspection reports: 0%
- Decreased number of workers compensation claims: 0%

14. Please indicate which of the following types of construction projects your firm performs: (Totals may add to more than 100%, as respondents could mark more than one answer.)

- Building construction: 88%
- Highway and transportation: 9%
- Federal and heavy: 20%
- Utility infrastructure: 18%
- Other (please specify): 14%
15. When you self-perform construction work, do you operate as a union contractor or an open-shop contractor?

- We always operate as an open-shop contractor: 73%
- We primarily operate as an open-shop contractor, but not always: 5%
- We always operate as a union contractor: 2%
- We primarily operate as a union contractor, but not always: 4%
- We do not self-perform or directly hire craft personnel: 16%

16. How many total employees does your firm employ at all of its locations?

- 1-49: 32%
- 50-249: 50%
- 250-499: 5%
- 500 or more: 13%

17. Estimate the total dollar amount of work your firm performed during the past 12 months.

- $10 million or less: 20%
- $10.1 million-$50 million: 41%
- $50.1 million-$500 million: 34%
- Over $500 million: 5%
