## 2026 Work Zone Awareness Survey Results Alabama Results

Total 23 responses; Responses varied for some questions. Percentages are based on responses to each question and may not sum to 100 due to rounding (total specified in some questions).

**1. In the past 12 months, how many crashes involving a motor vehicle have occurred at a highway work zone where your firm operates? (18 Responses)**

**2. How many construction workers were injured in these crashes? (13 Responses)**

**3. How many drivers or passengers were injured in these crashes? (10 Responses)**

**4. How many construction worker fatalities resulted from these crashes? (12 Responses)**

**5. How many driver or passenger fatalities resulted from these crashes? (9 Responses)**

**6. How many days have your firm's projects been delayed because of these crashes? (12 Responses)**

**7. How much of a risk are highway work zone crashes now compared to one year ago? (23 Responses)**

**8. Which of the following do you think are the main reasons that contribute to highway work zone crashes and/or intrusions? (23 Responses)**

**9. Are the current penalties for moving violations in highway work zones sufficient to deter unsafe driving behaviors in the states where you work? (23 Responses)**

**10. Are enforcement efforts currently helping deter unsafe driving behaviors in highway work zones in the states where you work? (21 Responses)**

**11. Have increases in material prices affected your firm's ability to purchase equipment or materials used for highway work zone safety (e.g., barriers, signage, protective devices)? (23 Responses)**

**12. What is your firm's experience with using Truck-Mounted Attenuators (TMAs) as a safety measure in highway work zones? (22 Responses)**

**13. What is your firm's experience with using blue safety lights on construction equipment or vehicles to improve work zone visibility and safety? (23 Responses)**

**14. Would any of these measures help reduce the number of highway work zone crashes, injuries and/or fatalities? (23 Responses)**

**15. Has the frequency of work zone crashes when performing night work changed from a year ago? (22 Responses)**

**16. What do you attribute the greater frequency of nighttime work zone crashes to? (1 Responses)**
